# Prep and cook potatoes

Peel, then cut **potatoes** into ½-inch pieces. Combine **potatoes**, **1 tsp salt** and enough **water** to cover (approx. 1 inch) in a large pot. (NOTE: Use same for 4 ppl.) Cover and bring to a boil over high heat. Once boiling, reduce the heat to medium. Simmer, uncovered, until the **potatoes** are fork-tender, 10-12 min.

#### Prep

While **potatoes** cook, strip **1 tbsp thyme leaves** (dbl for 4 ppl) from stems. Peel, then mince or grate **garlic**.

## Cook beef and veggies

Heat a large oven-proof pan over medium heat. When hot add 1 tsp oil (dbl for 4 ppl), then beef. Cook, breaking up beef into smaller pieces, until no pink remains, 4-5 min.\*\* Season with salt and pepper. Transfer beef to a plate. Heat the same pan over medium heat. When hot, add 1 tbsp butter (dbl for 4 ppl), then mirepoix, thyme and garlic. Cook, stirring often, until veggies soften slightly, 3-4 min.

## Cook beef filling

Add beef and any juices (from the plate) to the pan. Add tomato sauce and sprinkle with flour. Cook, stirring often, until veggies and beef are coated, 1-2 min. Add peas, soy sauce and ¾ cup water (dbl for 4 ppl). Bring to a boil over high heat. Reduce heat to medium and cook, stirring often, until sauce thickens and veggies are tender, 4-6 min. Season with salt and pepper.

### Mash potatoes

When the **potatoes** are tender, drain and return to the same pot. Add **cream cheese**, **cheddar**, ¼ **cup milk** and **1 tbsp butter** (dbl both for 4 ppl). Using a potato masher, mash together until creamy. Season with **salt** and **pepper**. (NOTE: If you don't have an ovenproof pan, transfer beef and veggie mixture at this point to a 8x8-inch baking dish for 2 ppl or a 9x13-inch dish for 4 ppl.)

#### Finish and serve

When **beef and veggies** are done, top with **mashed potatoes**, spreading evenly over top. Broil in the **middle** of the oven until **potato topping** begins to brown, 4-5 min. Remove **cottage pie** from the oven and let stand for 5 minutes. Divide **cottage pie** between plates.

# **Dinner Solved!**

<sup>\*</sup> Pantry items

<sup>\*\*</sup> Cook to a minimum internal temperature of 71°C/160°F.
