Start scalloped potatoes

Peel, then cut **potatoes** into ¼-inch rounds. Heat a medium oven-proof pan over medium heat (use a large pan for 4 ppl). When hot, add **1 tbsp butter** (dbl for 4 ppl), **onions**, **half the Cream Sauce Spice Blend** and **half the seasoned salt**. Season with **pepper**. Cook, stirring often, until **onions** are coated, 1 min. Add **cream** and **½ cup water** (dbl for 4 ppl), then stir to combine. Add **potatoes**, then arrange in an even layer. Bring to a boil over high. (**TIP:** Once boiling, if you don't have an oven-proof pan, carefully transfer the potato mixture to an 8x8-inch baking dish [9x13-inch for 4 ppl].)

Cook veggies

While **steak** roasts, heat the same pan over medium-high. When hot, add **1 tbsp butter** (dbl for 4 ppl), then **mushrooms** and **half the thyme**. Cook, stirring often, until golden-brown, 5-6 min. Season with **salt** and **pepper**, then transfer **mushrooms** to a plate. Add **green beans** and **¼ cup water** (dbl for 4 ppl) to the pan. Season with **salt** and **pepper**. Cook, stirring occasionally, until **green beans** are tender-crisp and **water** is absorbed, 4-5 min. Return **mushrooms** to the pan, then toss to combine. Remove the pan from heat, then sprinkle **half the parsley** over **veggies**.

Bake scalloped potatoes and prep

Once boiling, remove the pan from heat, then sprinkle **Parmesan** over top. Bake in the **middle** of the oven until **potatoes** are tender and **tops** are golden-brown, 22-28 min. While **scalloped potatoes** bake, trim **green beans**. Thinly slice **mushrooms**. Roughly chop **parsley**. Strip **1 tbsp thyme leaves** from stems (dbl for 4 ppl).

Make gravy

When **steak** is done, transfer to a cutting board. Loosely cover with foil and set aside to rest, 5 min. While **steak** rests, heat a medium pot over medium heat. When hot, add **1 tbsp butter** (dbl for 4 ppl), then swirl the pot until melted, 30 sec. Add **remaining thyme** and **remaining Cream Sauce Spice Blend**. Cook, stirring often, until fragrant. Whisk in **¾ cup water** (dbl for 4 ppl) and **broth concentrate**. Bring to a boil over high. Once boiling, reduce heat to medium. Cook, whisking occasionally, until **gravy** thickens, 2-3 min. Whisk in **any juices** from the plate with **steak**. Season with **pepper**, to taste.

Prep and cook steak

Pat **steak** dry with paper towels. Season with **remaining seasoned salt** and **pepper**. Heat a large non-stick pan over medium-high heat. When hot, add **½ tbsp oil** (dbl for 4 ppl), then **steak**. Sear until golden-brown, 1-2 min per side. Remove the pan from the heat, then transfer **steak** to an unlined baking sheet. Roast in the **top** of the oven until cooked to desired doneness, 4-7 min.**

Finish and serve

When **scalloped potatoes** are done, carefully remove from the oven and let rest for at least 5 min. (**NOTE:** The pan's handles will be very hot!) Thinly slice **steak**. Divide **steak**, **scalloped potatoes** and **veggies** between plates. Spoon **gravy** over steak. Sprinkle **remaining parsley** over top.

Dinner Solved!
